Dear Bankruptcy Dept.:

Our records indicate your recently filed claim, Court Claim #09, is incomplete for the reasons indicated below. We cannot begin payments until the claim has been corrected. If it is not corrected within 30 days, then our office will submit an objection to Court.

Please be advised that creditors are required to comply with the new provisions of FRBP 3001(c)(2)(A) (effective 12/1/2011) which states "If in addition to its principal amount, a claim includes interest, fees, expenses or other charges incurred before the petition was filed, an itemized statement of the interest, fees, expenses, or charges shall be filed with the proof of claim."

Additionally, creditors are required to utilize the new Form B10- proof of claim form- and provide a Power of Attorney if an entity is signing and/or filing the proof of claim on behalf of the holder of the claim. This form is required for all proof of claim forms filed after 12/1/2011.

Please submit an amended claim with US Bankruptcy Court with the following items corrected:

- ☐ Claim fails to break out principal balance, interest, fees, expenses or other charges incurred prior to the filing of the bankruptcy.
- ☐ Claim as filed fails to provide the power of attorney as entity filing claim is not the creditor.
- ☐ Car claim missing title showing perfected lien
- ☐ Missing signed security agreement
- ☐ Claim does not specify calculations supporting the balance due. Specifically we require principal balance, interest, fees and any other amounts due.
- ☐ Claim is not signed

- ☐ Claim reports different amounts in numerous sections – balance due undeterminable
- ☐ Breakdown does not support the proof of claim
- ☐ Late Claim

☒ Other: DUPLICATE OF COURT CLAIM 4

If you have any questions, please seek legal advice from your attorney. Our office **CANNOT** offer legal advice, which includes any additional information about the requirement of your claim or how to proceed in correcting the issues.

Sincerely,

/s/ Debra L. Miller, Trustee
